

Introducing the Church's new Birthday Club!

Do you have a birthday coming up? Struggling to think of a good gift idea to suggest to family members or others? Well we have the answer! Join the Church's new Birthday Club! Contribute \$1 for each of your years to support the Church and its mission in all of its many aspects – pastoral care, Christian education, music ministry, building needs, community outreach and fellowship. A great gift benefitting both you and others. Now that's a win win proposition!

The Birthday Club is open to everyone – adults, children, gifts in memory of family members. We look forward to celebrating the birthdays of all of our members!

Birthday Club members will be highlighted the last Sunday of each month (the first Sunday in May for our April birthdays since Easter is the last Sunday of April). Coffee hour in the vestry will include a cake honoring the new Birthday Club members for the month. Each member will receive a Birthday Club pin to add to their name tag ribbon or to wear proudly on its own. And each person will be named on a Birthday Club banner soon to be hanging in the vestry.

Help support the Church while celebrating your birthday by joining the Birthday Club. You can join during the month of your birthday or earlier if you'd like. For those of you who had birthdays in January and February, it's not too late. Join now and be recognized!

To join, just send a check or include a check in the offering specifically noting "Birthday Club." Please include the specific name of the person being honored along with the month of the birthday. We will have envelopes in the pews to be used for this purpose as well going forward. We look forward to singing "Happy Birthday" to you very soon!

(Note: Any birth date and age information received will remain strictly confidential!!!)
